### Preserving Our Past: Share Your Photos with the Windsor History Museum - 145623

Do you have any vintage photos from Windsor? The Town of Windsor Museums would love to see any of your vintage or historical photographs of the local area! As museum staff are redoing exhibits and planning tours, we need historical Windsor photographs to help us tell the story of our community. Drop by the Art & Heritage Center with your photos or historical Windsor documents. We will have a scanner on hand so you can take your photos or documents back home with you. We can also answer questions about local history and take research requests. No registration required — just drop by!
